## Kids Activity

I thought this was super cute and received several re-pins. I have an idea for a book, "Ella's Umbrella" so I hope to utilize this idea.

## Parenting

As my 5-year falls into this category, I found this article insightful. I have read so much on the topic; it is hard to find unique content. It may ring some similar bells, but it can serve as a reminder of what your kid may be going through and how you can help them.

## Fun Food

I am always fascinated by creative cakes. It is one area that I cannot master. Mix that with books and you have this page. 30 Literary Cakes.
