11/15/2016 [Picture Book Month](#)

Books are important to many people for many reasons. Picture books are unique and have their place in your children's lives. Because they can excite their senses, expand their world, and enrich their own lives. Books teach them to love learning and reading and inspire their creativity.

Kids Activity

...and people who love to write and draw. This website
actually has quite a few of these activities. I thought
this was super cute and great for kids learning to read.
