This month I started my new pet project. "MomShares" A simple illustration inspired by conversation with my kids. I loved writing "one-page" books with my Color Collective Art. I loved writing children's book based on funny conversations with my kids. Now, I can have both. My kids have so many wonderful ideas that may not transfer well to a complete book. But, I can share more often keeping it simple. I hope you enjoy them.

Otherwise, below are links to all my posts. Click through read what you missed, and share what you love.

Thank you for your support.
