### Latest News

I can't believe it is March already and Spring is just around the corner. This month my oldest daughter turned 8! I have been doing this mom thing for 8 years. They aren't lying when they say it goes by fast. As for our newest edition, we are past the first three months and have a better routine and lots of smiles.

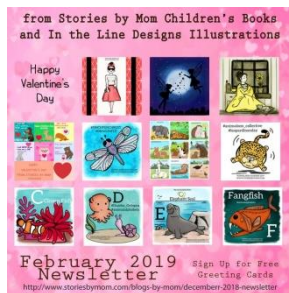

As far as our work goes, I have officially finished the Mom and Baby sketches. The meat of the book is put together and i just need some finishing touches. I hope to have the coloring book out sooner than later. Everything else is still coming along and we will see what comes out of April.

Thank you, everyone and best wishes into this next season.
