1. **Organize it.** Print your template on any paper you chose, white, color, cardstock etc.

Have a parent grab the scissors and stapler.

Grab your favorite coloring tools. Crayons, pencils, markers, paint. Just note that you will be coloring on the back and there could be bleed-through.

2. **Cut it.** Cut out the cover. It will be the only half paper.

Cut the rest along the lines into quarter sheets.

3. **Sort It.** Organize by page going backwards so page 10 is on top.

4. **Flip it.** Flip over so you see the blank side (or back of page 1)

This will create the book spread.
Words on left, picture on right.

5. **Staple it.** Tuck the quarter papers inside the cover.

Staple on the left side.

6. **Title it.** The first page should be blank with no story line.

This is your title page.

Draw your own and sign it, or leave it blank.

7. **Write it.** Fill in the blanks of the text

Draw your best picture.

The words should be on the left side and the pictures on the right.

8. **Read/Share It** The best thing is to snuggle with the one you love and read a book.
